

How to Re-Set your GPP Password

From the log in page <https://genuineparts.sundyne.com>

The image shows a login form for Sundyne. The form is white and centered on a blue background that features industrial machinery. At the top of the form is the Sundyne logo, which consists of a stylized orange and black swirl icon above the word "Sundyne" in a bold, black, sans-serif font. Below the logo, the text "Sign in with your sign in name" is displayed. Underneath this text are two input fields: the first is labeled "Sign in name" and the second is labeled "Password". To the right of the "Password" field, there is a link that says "Forgot your password?". At the bottom right of the form is a blue button with the text "Sign in" in white.

Click [Forgot your password?](#) link

Enter the email address used to log into GPP and click on Send verification code.

This will send a verification code email to enter in the next screen and then you can set your own new password.
